Masonry Matters has been created by Freemasons for Freemasons and is the only dedicated Masonic platform, broadcasting short high impact 90 second TV style news bulletins to a global

audience. Our aim is to promote the personal achievements and contributions Freemasons make at local, national and international levels, through fundraising initiatives, dedication and hard work.

So why not participate and let Masonry Matters assist in promoting your latest news, achievement, events and achievements within your lodge, chapter, province, festival and charity.

This service is free to all Masonic orders and to participate, just complete the registration form opposite. Further information can be viewed by visiting our objectives page or e-mail [editor@masonrymatters.org](mailto:editor@masonrymatters.org) with your question.

□□We look forward to working with you to communicate your news to a wider audience.
