## Library

This area provides quick access to working materials referred to within the “3R Library”. It will be expanded to include further contributions from individual Masonic 3R schemes so that these may be shared for the good of the whole Masonic community.

A [suggested reading list](#) has been provided for those looking to develop their own understanding of Freemasonry, including Lodge and Provincial Mentors.

This section also contains [useful links to Masonic web sites](#) and [3R-related media from around the web, including other Masonic jurisdictions](#).
